

Warranty Certificate

Modern Lumber Technology Ltd

(MLT Ltd)

warrants

that its Ultralam™ laminated veneer lumber (LVL) will be free from manufacturing errors and defects and will meet or exceed its published performance specifications.

Ultralam™ LVL, when properly stored, handled and installed in dry use service conditions will be warranted to perform according to its specifications for the expected life of the structure.

If any defect in manufacturing is apparent prior to installation, this warranty shall only cover the cost of providing replacement material.
